## Turn Every Takeout Order Into a Marketing Opportunity

A plain, unbranded takeout bag is quickly forgotten. Branded packaging helps keep your restaurant top-of-mind, encourage customer engagement, and generate repeat business.

Custom labels and stickers help restaurants:

- ✓ Build Brand Recognition
- ✓ Promote Online Ordering
- ✓ Encourage Customer Reviews
- ✓ Increase Repeat Business
- ✓ Stand Out From Competitors

## **Our Exclusive Branded & QR Code Label Bundle**

**Most printers simply sell labels. We help restaurants market their business with every order.**

Designed specifically for restaurants, our exclusive Bundle Package combines **Branded Labels and QR Code Labels** into one affordable solution that helps strengthen your brand while increasing customer engagement.

**Every takeout order becomes an opportunity to promote your restaurant, encourage reviews, drive online ordering, and bring customers back.**

### **Bundle Includes**

- ✓ Branded Labels
- ✓ QR Code Labels
- ✓ Flexible Sizes & Materials
- ✓ Custom Quantities
- ✓ Affordable Bundle Pricing

### **Why Restaurants Love It**

- ✓ Strengthens Brand Recognition
- ✓ Encourages Customer Interaction

- ✓ Promotes Online Ordering
- ✓ Generates More Reviews
- ✓ Helps Create Repeat Business

Unlike traditional online printers and local print shops, our Bundle Package is built around helping restaurants grow—not simply printing labels.

## Professional Design Review Included

 Every order is reviewed by a real design professional before printing.

We inspect artwork quality, sizing, alignment, and print readiness to help ensure your labels arrive looking sharp, vibrant, and professional.

Unlike automated online printers, we don't simply accept a file and press print. We take the extra step of reviewing every order to help ensure the best possible results.
