

Social Media Labels

Custom Social Media Labels for Restaurants & Takeout Packaging

Turn every takeout order into a follower.

Custom social media labels make it easy for customers to find and follow your restaurant online. Add them to takeout bags, boxes, cups, and containers to grow your audience, promote offers, and keep your brand active long after the order is delivered.

Drive traffic directly to your social platforms:

- Instagram
- Facebook
- TikTok
- X (Twitter)

Custom Social Media Stickers That Grow Your Brand

Create professional social media labels in minutes using our easy online design tool. No design experience needed.

Customize your labels with:

- Your social media handles or links
- Brand colors and logo
- Calls-to-action (Follow us, Tag us, Share your meal)
- Restaurant-themed design elements

Choose a template, add your details, and get high-quality printed labels ready for your packaging.

Why Restaurants Use Social Media Labels

- Increase followers and online engagement
- Turn customers into long-term social media audiences
- Promote specials, events, and new menu items
- Strengthen brand visibility across platforms
- Low-cost marketing on every order
- Works perfectly on takeout packaging and delivery orders

Built for Restaurant Growth

Social media labels are designed for restaurants and food businesses that want to turn packaging into ongoing marketing.

Every order becomes a chance to grow your audience, increase engagement, and keep your brand top of mind after the meal is finished.
